## **Roblin and Grandview Phone Upgrades Thursday, July 9 – 4:30 p.m. – 7:30 p.m.**

Prairie Mountain Health (PMH) would like to advise Roblin and Grandview area residents that PMH will be performing phone system upgrades on Thursday, July 9th, for approximately a three-hour time period. This will impact the Roblin Hospital/Personal Care Home, Grandview Hospital and Personal Care Home.

Incoming calls into these facilities will not go through from 4: 30 p.m. until 7: 30 p.m. on July 9<sup>th</sup>. Work at each site shouldn't last more than an hour.

This upgrade will have no impact on 911 Emergency Services. For any urgent or emergent situation, residents should still call 911.

For non-emergent situations, or for individuals who require advice from a Registered Nurse, please call Health Links at 1-888-315-9257.

Thank you for your patience and cooperation in regards to this matter.
