

**M**urray House is a home away from home for people undergoing cancer treatments. Your comfort and safety is our main concern. As Murray House is not a medical facility, a caregiver is required to stay with you if you are unable to care for yourself.

If you require the support of medical equipment or oxygen, you must provide that information when booking is confirmed.

## Murray House

A residence that provides safe, comfortable, and affordable accommodations for out of town patients receiving care at the Western Manitoba Cancer Centre or at the Brandon Health Centre – both located one block south.

### Rooms | Facilities | Services

Murray House is a secure building containing eight private rooms including two accessible rooms and an elevator. Each room has a private washroom, television, microwave, phone and small refrigerator. Family and friends are welcome to stay with a limit of two people per room. All rooms are non-smoking and pets are not permitted. Free Wi-Fi is available.

Although meals are not provided, there is a fully equipped common kitchen. Brandon Regional Health Centre cafeteria, stores and restaurants are located within walking distance.

The residence is also equipped with a living room, library/meeting room, recreation room and free laundry facilities.

Free on-site parking is available.
